Multidisciplinary designer and illustrator, currently located in Italy and commuting between Bergamo and Urbino. His passion for game design and concept art find their origin in a classical studies background – to which he owes an ardent interest in folklore studies and mythology – with a longstanding love for fantasy, storytelling and worldbuilding.

DIGITAL SKILLS

- Office Suite (Word, Excel, PowerPoint...)
- Adobe Suite (Photoshop, InDesign, Illustrator, Premiere, AfterEffects)
- web development (HTML, CSS, JavaScript)
- 3D modeling (Blender, Autodesk 3DStudio Max)
- FontLab 7

CRAFT SKILLS

- traditional media illustration & calligraphy (ink, gouache, watercolour, pencil...)
- fine art printing (screenprint, etching)
- bookbinding
